

<b>Project name</b>	“Eco+Perto: Local Collection of Hazardous Domestic Waste and Recoverable Waste”
<b>Project code</b>	POSEUR-03-1911-FC-000181
<b>Main goal</b>	Protect the environment and promote resources efficiency
<b>Region of intervention</b>	North – Porto Metropolitan Area
<b>Beneficiary entity</b>	LIPOR - Greater Porto Region Intermunicipal Waste Management Service
<b>Date of approval</b>	26/08/2019
<b>Start date</b>	01/12/2019
<b>End date</b>	31/12/2021
<b>Total eligible cost</b>	515 385,77€
<b>Financial support from the European Union</b>	Cohesion Fund – 438 077,90€
<b>Nacional/regional state financial support</b>	77 307,87€
<b>Expected/achieved goals, activities, and results</b>	<p>This project aims to collect hazardous domestic waste and other recoverable waste, by installing local mobile equipment in each of LIPOR's Associated Municipalities.</p> <p>The dynamics of the project involves the equipment remaining in different areas of the Municipalities over a certain period, hence allowing this equipment to reach the maximum amount of the served population, as well as to collect the greatest amount of recyclable municipal waste.</p> <p>In the first year of execution of the project, it was possible to reach a total of 736,258 citizens and collect a total of 46.3 tons of waste.</p>

**Execution of the main project indicators**
